PROFESSIONAL SUMMARY

Passionate Software Engineering Intern specializing in full-stack development, cloud integration, and AI-driven applications. Experienced in designing secure RESTful APIs, role-based architectures, and containerized microservices with a strong focus on scalable architecture and clean code.

TECHNICAL SKILLS

Frontend : HTML, CSS, React.js, Next.js, JavaScript, TypeScript, Tailwind CSS, Material UI

Backend : Java / Spring Boot, Node.js / Express, PHP / Python/ C

Databases : MySQL, MongoDB, Firebase

Cloud & DevOps : AWS, Docker / GitHub

Tools & Security : Postman, Maven, Spring Security, REST API, WebSocket, JWT

AI / ML : Open Ai API, AWS AI Services

KEY PROJECTS

AI Chatbot System (LUMI) | *Node.js, Express, OpenAI API, React, WebSocket* Personal Project

- Built a responsive full-stack chatbot with a Node.js backend and React frontend.
- Integrated OpenAI GPT API for advanced natural language understanding and context-aware responses.
- Designed real-time message streaming over WebSockets with secure API key management and data encryption.

AI-Powered Study Planner | *Next.js, React, TypeScript, AWS Lambda, DynamoDB* SaaS / Automation

- Developed an AI scheduling algorithm generating optimized study plans based on difficulty and deadlines.
- Utilized AWS Lambda and DynamoDB for a serverless, scalable backend infrastructure deployment.
- Created interactive performance tracking dashboards and an automated notification system.

Multi-Vendor Marketplace Platform | *React, Vite, Material UI, Spring Boot, MongoDB, JWT* Group Project

- Collaborated in an 8-member team to build a scalable multi-vendor e-commerce marketplace.
- Developed role-based modules for customers, sellers, and admins; integrated Spring Boot backend REST APIs.

CERTIFICATIONS

AWS Certified AI Practitioner – Amazon Web Services 2026

Generative AI Foundation – Google Cloud 2026

Python Programming – University of Moratuwa 2023

EDUCATION

University of Vavuniya Expected Graduation: 2027
BSc (Hons) in Information Technology Vavuniya, Sri Lanka
